# Kansas Motor Carriers Association Membership Benefits

## Who we are

KMCA is the statewide membership driven organization created in 1936 to serve the interests of the trucking industry and its allied members. KMCA also acts as THE VOICE for the trucking industry in the state of Kansas, and provides a wide variety of services from fuel and mileage tax reports to safety seminars and driver recognition programs. KMCA's top goal is to provide a safe, profitable and business-friendly climate for the industry.

## Member Services

### State Representation

*"Eighteen Wheels of Political Power"*

Legislation on the state and federal level affects every aspect of the trucking industry. Therefore, lobbying is one of KMCA's most important functions.

### Federal Representation

Affiliation with the American Trucking Associations keeps Kansas transportation company leaders informed on federal tax, highway financing and safety concerns.

## Information Resources and Publications

Our Web site, [www.kmca.org](http://www.kmca.org), is updated instantly when important information becomes available. This provides our members with the opportunity to view changes as they happen in the industry and in our association. It also includes a searchable buyers guide of products and services offered by our allied members. (Advertising space is available.)

The Dispatch is our monthly newsletter that gives our members timely information regarding updates, news and events involving the trucking industry. (Advertising space is available.)

Our annual Buyers Guide/Membership Directory is published each summer as a reference guide that our members can use all year long. This spiral bound publication lists all the members alphabetically and by services provided along with valuable information including support industries and other reference tools. (Advertising space is available.)

## Events

Each fall, the Kansas Motor Carriers Association holds its annual convention. This two-day event provides educational opportunities for our members and their employees as well as allows our allied members to network with carrier members and discuss the latest technology in equipment and services. Other annual events include: the Safety Awards Banquet, Professional Truck Driving Championships, PRO Truck PAC golf tournament, Kansas Trucking Industry Day at the Capitol, and KMCA's "Call on Washington."
