Kansas Motor Carriers Association

ATTN: Kay Hendrix, Director of Safety

PO Box 1673 Topeka, KS 66601

or email kayh@kmca.org

DEADLINE: February 22, 2021

KMCA Road Team 2021-2023

The Kansas Road Team program is sponsored by the Kansas Safety Management Council of the Kansas Motor Carriers Association. Its purpose is to promote highway safety, inform the public about the “real” world of trucking and the impact the trucking industry has on the Kansas economy.

Kansas Road Team captains have been making appearances on behalf of the industry and KMCA as well as assisting with community service projects since 1993. KMCA is soliciting nominations of professional truck drivers who can deliver the industry’s message from the unique perspective of a truck driver. Selected candidates must be willing to spend one to two days per month during a 24-month period to meet with the news media, speak before civic groups, school students and other audiences as well as appear at trucking industry events. KMCA provides training, uniforms and support materials including videotapes and literature.

NOMINATION INFORMATION:

The nominator must be a motor carrier executive with the authority to commit his/her company’s support for the program. The nominator also should confirm before submitting the nomination that the candidate is willing to participate in the program. After the individual has been nominated, it is the nominator’s responsibility to immediately notify the Kansas Road Team office at KMCA if the candidate becomes ineligible at any time during the selection process.

Once nominations are closed, the Kansas Safety Management Council will announce a group of finalists who will come to Topeka for two days in March. It is here where a panel of judges representing industry-related business, communication and public relations will select the 2021-2023 Kansas Road Team captains. The new captains of the Kansas Road Team will be formally introduced at the Kansas Safety Awards Banquet in April.

ELIGIBILITY

1. Nominees must have been continuously employed as a full-time truck driver for the past 12 months and currently employed as a full-time truck driver.
2. Nominees must possess an outstanding safety record and must maintain an accident-free record. They must have no convictions for any moving violation in both the truck and/or their personal vehicle for the previous three years.
3. Nominees must be able to clearly and convincingly communicate their commitment to safety. They must be able to represent a positive image of professionalism.
4. If selected, the nominee must be willing to spend one to two days each month traveling and speaking on behalf of the Kansas trucking industry.
5. The nominating company shall continue to pay the salary and provide benefits and insurance to the driver while he/she is traveling for the Road Team. In selecting the representatives, emphasis will be placed on driver’s safety record and ability to speak knowledgeably about the trucking industry.

2021-2023 KMCA's Road Team

Nomination Form

Candidate Information

Name:	CDL#
